

***We are looking for 2 students for the Cadet Program.***

### **What does this opportunity involve?**

If you are chosen for the program, you will have an opportunity to work alongside Fishery Officers, MWIFMA (Mi'gmaq Wolastoqey Indigenous Fisheries Management Association) and your community.

- You will receive training alongside Fishery Officers and MWIFMA officials prior to the start of the program. Once trained, you will be authorized to shadow Fishery Officers in the field, including assisting during patrols at sea, on zodiac boats, and on land, observing catches and recording data, helping with equipment maintenance, and completing other general duties.

## **Cadet Program**

### **Is it for you?**

Are you interested in pursuing a career in law enforcement?

Do you like physical, hands-on work?

Are you looking for a summer job?

If you answered yes to these questions, the Cadet Program may be something for you to consider.

## **CADET PROGRAM**

## Benefits of the Program

- A unique opportunity to contribute to resource conservation in collaboration with the federal government and Indigenous communities.
- Opportunity to gain practical experience that could help you launch your career.
- Opportunities to network with potential employers.
- A well-rounded experience that includes both office-based and field-based work.

### Assigned Locations

Conservation and Protection office in Gaspé, Grande-Rivière or Sainte-Anne-des-Monts.

Uniform & Equipment will be supplied.

### Wages

\$21.24/hour for Cégep level students.

7.5 hours/day, 5 days per week for the summer (exact number of weeks to be determined).

Work from June to August.

### Training

A training program will be offered during the first three workdays to prepare you for work alongside Fishery Officers.

**You will receive a detailed agenda once you have been chosen for the program.**
